

Discipleship Self-Assessment

Where are you in your discipleship journey?

At the center of the wheel is Jesus. Our goal in discipleship is to become more like him.

The outer ring is where we started our journey.

Spend some time reflecting on where you are right now in each of these areas of spiritual discipline. You aren't where you started, but you probably aren't exactly like Jesus either.

Move yourself closer to the center, reflecting where you feel you are in your journey.

Pick one or two areas where you might want to go further in your journey.

Spend some time thinking about how you might move closer to the center in those areas.
