

Discipleship Self-Assessment

Where are you in your discipleship journey?

At the center of the wheel is Jesus. Our goal in discipleship is to become more like him. The outer ring is where we start our journey, and the inner ring is where we are heading. Spend some time reflecting on where you are right now in each of these areas of spiritual discipline and move yourself closer to the center accordingly. Pick one or two areas where you might want to go further in your journey. Spend some time thinking about how you might move closer to the center in those areas. Any of the staff would be willing to chat more about your discipleship journey.
