

MUMC Giving FAQs

- **Why should I return the estimate of giving card?**

We desire to be as effective as possible with the resources God entrusts to each of us. The same is true for the church. We have found that the best way to execute our ministries faithfully is to obtain estimates of giving annually. This way, we can best allocate funds to maximize the effectiveness of our ministry and witness while minimizing the risk of overextending.

- **How do I return my estimate of giving card?**

Enclosed is an estimate of giving card which may be filled out and returned to the church. We will provide an opportunity for you to turn in the card during the November 21 worship services. If this is not convenient, you may mail the card in at any time or drop it off at the church office. Alternatively, there is an on-line estimate of giving card which can be submitted electronically (manchacaumc.org/stewardshipcampaign). We would like to receive all cards before Thanksgiving. Your estimate of giving information will be confidential and may be changed at any time by contacting the church office.

- **How does this giving opportunity relate to other church causes I support?**

This estimate of giving card is for the operating budget of the church for 2022. This is separate from other giving opportunities you may be participating in, such as the church capital campaign or other designated giving.
